Report Date: 1/22/24

Team Members: Drake Church, Brian Shawcroft, Saylor Wilson

Project Title: Times and Seasons Platform

1) Summary of technical/non-technical challenges encountered

- Regrouping and establishing contact with our sponsor and mentors.
- Find new time this semester to meet weekly.
- Figure out what materials to use for beam design

2) Team approaches & resolutions to overcome challenges

- Met with Dr. Sorenson and Dunn Engineering to discuss platform material.
- Met with our sponsor, Bob, to confirm scope one last time before design.

3) Status of challenge resolutions & potential project impact

- We know what type of materials we want to use for beams.
- We have new weekly meeting time.

4) Project status & summary

- Moving on to designing the beams that will hold up the platform.
- After that we will design the piers the beams will sit on.
