

Project Status Report: CPST-0 07

Team Members: Jared Jewell, Arianna Kee, Marcus Young

Project Title: Provo City Water Audit

Report Date: 1/29/2024

Team Meeting Information: 1/19/24 @ 6:00PM via Zoom

1) Summary of technical/non-technical challenges encountered

Our team had several questions coming into the meeting:

- Unsure about actual deliverables
- Unsure about city expectations
- Unsure if there is any new data

2) Team approaches & resolutions to overcome challenges

Our team made the following decisions to resolve these questions:

- Decision to meet with Barry
- Decision to each research a different aspect of the data provided previously by Barry

3) Status of challenge resolutions & potential project impact

We scheduled a lunch with Barry to discuss our questions with him. This should help resolve our questions.

4) Project status & summary

Project status is good, with the meeting planned and our preparations for that meeting divided amongst ourselves.

Please enter # of hours spent on project this last week for each team member in the order listed above
