

Project Status Report: CPST-0 10

Report Date: Met in Transpo Lab

Team Members: Kamryn Mansfield, Ellie Johns, Myranda Salmon, Megan Hungerford

Project Title: BYU Transportation Survey

1) Summary of technical/non-technical challenges encountered

- We needed to get the IRB accounts for the review.
- We needed to access past data.

2) Team approaches & resolutions to overcome challenges

- We contacted the IRB to set up accounts.
- We exported the results from past survey.

3) Status of challenge resolutions & potential project impact

- The survey is waiting to be approved. Once approved, we can administer it.
- The data is ready, so we can start analyzing it.

4) Project status & summary

- Now that we have our report started, we can start writing the report and getting the data analysis prepared.
