

Project Status Report: CPST-0 15

Report Date: 2/5/24 Online

Team Members: Dennisse Alejo Juarez, Lucky Bahati, Lexie Isbell, Tyler Peterson

Project Title: Timber Strong Competition

1) Summary of technical/non-technical challenges encountered

- No big challenges this week. Have a few team members unable to meet so there will be more to do next week when we are all back.

2) Team approaches & resolutions to overcome challenges

- Stick to the plans made and continue to chip away at the plans and calculations that need to be completed for phase 2

3) Status of challenge resolutions & potential project impact

- Our builder responded to our messages and completed the required ladder training.
- The due date for phase 2 is approaching, so we need to stay on task to finish it.

4) Project status & summary

- Beginning to make plans for phase 2, getting the little details in order to continue on in our work. Things are progressing smoothly

Please enter # of hours spent on project this last week for each team member in the order listed above
