

Project Status Report: CPST-0 10

Report Date: Met in Transpo Lab

Team Members: Kamryn Mansfield, Ellie Johns, Myrranda Salmon, Megan Hungerford

Project Title: BYU Transportation Survey

1) Summary of technical/non-technical challenges encountered

- We needed to start writing the report.
- We needed to start re-creating the graphs using last survey's data.

2) Team approaches & resolutions to overcome challenges

- We organized and divided the workload.

3) Status of challenge resolutions & potential project impact

- We have made progress on the report and the analysis.

4) Project status & summary

- We have made progress on some of the earlier sections of the report, and we have re-created many of the graphs from the previous report.
- We need to continue to work on the report and plan how we will distribute the survey so that when the survey is approved by the IRB, we should be prepared to start.

Please enter # of hours spent on project this last week for each team member in the order listed above
