

Project Status Report: CPST-0 08

Report Date: 2/12/24

Team Members: Hunter Joy, Ethan Wall, Zach Moncur

Project Title: Lehi E. Coli Treatment

1) Summary of technical/non-technical challenges encountered

- Communication with our client Lehi city
- General direction of research

2) Team approaches & resolutions to overcome challenges

- Met with Dr. Sowby to discuss how to focus our research on the treatment systems and on public outreach

3) Status of challenge resolutions & potential project impact

- Lehi city responded to our emails with more clarity on what they are hoping to get from us
- We now have a better vision of our project

4) Project status & summary

- Clear vision for the project moving ahead. Going into a strong research phase.
