Civil & Construction Engineering

CAPSTONE

Project Status Report: CPST-0 04

Weekly Mtg: Friday at 1pm

Team Members: Drake Church, Saylor Wilson, Brian Sawcroft

Project Title: Nauvoo Times and Season

1) Summary of technical/non-technical challenges encountered

- Scheduling problems prevented us from being able to meet together this week with our mentor.

2) Team approaches & resolutions to overcome challenges

- Had to continue to work on our individual assignments and coordinate via text messages and phone calls.

3) Status of challenge resolutions & potential project impact

- We will be able to meet again this week as normal with our mentor.

4) Project status & summary

- Design of platform has been completed.
- Working on last stage of our project which is the deliverables.
 - Modeling the building and platform in Revit
 - Creating different views and plans of our project in Revit.

Please enter # of hours spent on project this last week for each team member in the order listed above
