

Project Status Report: CPST-0 15

Weekly Mtg: o Zoom, Tuesday 6pm

Team Members: Denisse Alejo Juarez, Lucky Bahati, Lexie Isbell, Tyler Peterson

Project Title: Timber Strong Competition

1) Summary of technical/non-technical challenges encountered

- Selecting the right means of digitizing the drawings and calculations

2) Team approaches & resolutions to overcome challenges

- The team decided to use whichever way will be neater and more professional in presentation.

3) Status of challenge resolutions & potential project impact

- Besides from presentation, the above challenge will not have any impact on the project as a whole

4) Project status & summary

- We have entered the phase of writing the report (parts that we have covered); Tyler and Lexie are working of final touch up on the design and Lucky is waiting on the latter to get started with the digitization. In the meantime, Denisse and Lucky are teaming up to proofread and write the portions of the project that can be written.

Please enter # of hours spent on project this last week for each team member in the order listed above
