Civil & Construction Engineering

CAPSTONE

Project Status Report: CPST-0 04

Weekly Mtg: EB 405 Thursday 10am

Team Members: Drake Church, Saylor Wilson, and Brian Shawcroft

Project Title: I Dig Nauvoo

1) Summary of technical/non-technical challenges encountered

- Create drawings of the building design
- Detailing the connections for beams and piles

2) Team approaches & resolutions to overcome challenges

- Meet with our mentors for direction

3) Status of challenge resolutions & potential project impact

- Ideas were provided for how to show detailing in Revit
- Construction drawings are started

4) Project status & summary

- We are ahead of schedule and have plenty of time to complete the final stages

Please enter # of hours spent on project this last week for each team member in the order listed above
