

**Project Status Report: CPST-0 15**

**Weekly Mtg: 3/18/24 Online**

**Team Members: Dennisse Alejo Juarez, Lucky Bahati, Lexie Isbell, Tyler Peterson**

**Project Title: Timber Strong Competition**

**1) Summary of technical/non-technical challenges encountered**

- No difficulties this week. We were able to sort out the challenges from last week.

**2) Team approaches & resolutions to overcome challenges**

- Tyler was able to work on the Revit files, so we got that all sorted out.

**3) Status of challenge resolutions & potential project impact**

- Things went smoothly this week. The BIM file on Revit is completed, Lexie designed the theme of the building, Lucky digitalized the framing plans, and Denisse completed a rough draft of the final report.

**4) Project status & summary**

- We all worked hard on the project this week and the report is almost finished. All that's left is compiling our work, touching up some calculations, and making the poster and power point.

Please enter # of hours spent on project this last week for each team member in the order listed above
