

Project Status Report: CPST-0 07

Weekly Mtg: 9:00 AM on 3/21/2024 in CB308

Team Members: Jared Jewell, Arianna Kee/Young, Marcus Young

Project Title: Provo Water Audit

**1) Summary of technical/non-technical challenges encountered**

- Needing to complete project update and get started on report

**2) Team approaches & resolutions to overcome challenges**

- We decided to complete the update while we were together
- We created shared documents to begin individual work on the outline and project report

**3) Status of challenge resolutions & potential project impact**

- Project update has been completed
- Shared documents are distributed and work has begun on the outline

**4) Project status & summary**

- Data has been gathered, and our report, presentation, and poster are now underway

Please enter # of hours spent on project this last week for each team member in the order listed above
