Project Title: BYU Transportation Survey

1) Summary of technical/non-technical challenges encountered

- We needed to finish the draft report by April 1
- We needed to do some final analysis of the data

2) Team approaches & resolutions to overcome challenges

- We divided the work and worked on writing the report

3) Status of challenge resolutions & potential project impact

- Now we have part of the draft final report done which we will finish in a week

4) Project status & summary

- Our project is about 90% done
- We are 99.9% sure we will finish by the deadline
