

Project Status Report: CPST-0 Report 9

Team Members: Santiago Vega, Hyeonbin Gil, Daniel Saunders, Michael Lorows

Project Title: Project 3

Report Date: EB Team Study Room

1/10/24 @ 11 AM

1) Summary of technical/non-technical challenges encountered

We had difficult time meeting with Addison due to his schedule. We communicated briefly through messenger to figure out how to proceed with the project. We were able to delegate specific research topic for each member

2) Team approaches & resolutions to overcome challenges

We have rescheduled our meeting with Addison for Friday, Feb. 2nd. We will be presenting our findings from the last two weeks to him.

3) Status of challenge resolutions & potential project impact

Meeting with Addison scheduled. It potentially could change our direction of study but most likely he will be satisfied with our work and will approve use to continue.

4) Project status & summary

We assigned specific research topics to individual team members. This initiative is aimed at fostering a more thorough and specialized investigation into each area of interest.
We are currently working on finding reliable sources.

Please enter # of hours spent on project this last week for each team member in the order listed above
