

**Project Status Report: CEEEn-2019CPST-0 15**

**Report Date: Mar 2, 2020**

**Team Members: Michael Chidester, Tyler Jensen, Sabrina McCuen, and Hannah Van Noy**

**Project Title: Coreform FEA Benchmark Project**

**1) Summary of technical/non-technical challenges encountered**

- No challenges this week

**2) Team approaches & resolutions to overcome challenges**

**3) Status of challenge resolutions & potential project impact**

**4) Project status & summary**

- We have successfully completed both benchmarks using ANSYS. We will now begin the final phase of the project by working with Coreform to learn their FEA program and perform the benchmarks on it.
